

## IX INTERNATIONAL CONFERENCE OF THE VERBOTONAL SYSTEM

### "TRANSLATIONAL APPROACH IN DIAGNOSTICS AND REHABILITATION OF LISTENING AND SPEECH" – 55 years of SUVAG"

**Zagreb, May 19-21, 2016**

This jubilee meeting is dedicated to **55<sup>th</sup> anniversary of SUVAG Polyclinic – Zagreb** and **20<sup>th</sup> anniversary of the Centre for Cochlear implant**, and it will be held on the occasion of *Days of the SUVAG Polyclinic* and in the frame of the programme *Days of Petar Guberina* as a sign of reminiscence to the founder of the Verbotonal System and our institution.

Meeting will be held from **May 19 to 21, 2016 in the Westin Zagreb hotel** and three-day programme includes:

- **Symposium** on topics from the wide approach to diagnostics and rehabilitation of listening and speech
- **Performance** by the children from the SUVAG Polyclinic that will show the results and achievements of the verbotonal rehabilitation of hearing and/or speech impaired children and success in learning foreign languages in our institution

We would like to inform you that, due to high level of interest, **deadline for abstract submission is extended to Tuesday, March 29, 2016. Deadlines and submissions:**

- Abstract in English language
  - maximum of 300 words
  - 3 to 5 key words
- Submissions deadline: **March 29, 2016**
- Authors notified of selected papers: by **April 10, 2016**

#### **Registration**
